

Position	Description	Legend
10	Hoval boiler	DHW : Domestic hot water CW : Cold water C : Circulation
40	Boiler control panel	
50	Safety valve	
60	Low water protection	
70	Drain valve	
80	Reduction sleeve	
90	Pressure gauge	
100	Pushbutton valve	
110	Intermediate flange drilled	
120	Burner	
130	Boiler loading pump	
140	3-way valve	
150	Actuator	
160	Fixed valve controller	
170	Immersion sleeve	
180	Immersion sensor	
190	Hoval calorifier Modul-plus	
230	Safety valve	
240	Reduction sleeve	
250	Drain valve	
260	Calorifier Modul-plus loading pump	
270	Expansion tanks	
280	DHW circulation pump	

Hydr.	Verbindungshinweis / Notice / Nota / Remarque: »»	P&I diagram Modul Plus	Hoval	
		Achtung! Für die Installation muss das anlagenbezogene Schema verwendet werden! Attention! This is just a schematic. For installation please use the detail-plan! Attenzione! Per la messa in opera, utilizzare lo schema dettagliato! Attention! Pour la réalisation pratique de l'installation, il faut utiliser le schéma détaillé!	Datum	Name
